2 INTRODUCED BY ****

3 BY REQUEST OF THE ****

4
5 A BILL FOR AN ACT ENTITLED: "AN ACT REVISING SPECIAL EDUCATION FUNDING LAWS TO
6 INCREASE THE TOTAL SPECIAL EDUCATION ALLOCATION AND THEREBY THE SPECIAL EDUCATION
7 ALLOWABLE COST PAYMENTS MADE TO SCHOOL DISTRICTS AND SPECIAL EDUCATION
8 COOPERATIVES; AMENDING SECTION 20-9-306, MCA; PROVIDING AN EFFECTIVE DATE; PROVIDING
9 AN APPLICABILITY DATE."

10
11 WHEREAS, prior to 2021, the state special education allowable cost payment only received inflationary
12 adjustments on an ad hoc basis, resulting in a payment that has not kept up with inflation; and

13 WHEREAS, in the past decade there has been an increase in the identification rate of students
14 requiring special education and related services which has resulted in higher special education costs for school
15 districts; and

16 WHEREAS, the diminishing proportion of special education costs covered by the state special
17 education allowable cost payment is also reflected in increased school district reliance on the permissive tuition
18 levy for special education and in an increase in the disproportionate cost reimbursement threshold, meaning
19 districts are responsible for an increased share of higher special education costs.
