21 and the property is taxable. In addition to taxes due for the first year that the property becomes taxable, the
22 owner of the property shall pay an amount equal to the amount of the tax due that year times the number of
23 years that the property was tax-exempt under this section. The amount due is a lien upon the property and

25 collected on the property is distributed. At the time the exemption is granted, the department shall file a notice

27 exemption pursuant to this section has been granted. The notice must describe the penalty for default under
28 this section and must specify that a default under this section will create a lien on the property by operation of

1 law. The notice must be on a form prescribed by the department.

2 (iv) not more than 160 acres may be exempted by a purely public charity under any exemption
3 originally applied for after December 31, 2004. An application for exemption under this section must contain a
