RE: **Administrative rule review**

Three rule proposals by the department of transportation (MDT) are subject to TIC review. There are no proposals by the motor vehicle division.

2026-105.1

This proposal seeks to implement HB 351 (2025) regarding the taxation of gasoline and special fuels. That bill had a delayed effective date for July 1, 2026. MDT had a hearing on June 26. The comment period closed July 3. MDT received no comment. MDT anticipates adopting the proposal July 24.

2026-123.1

This proposal seeks to update MDT's model procedural rule—18.2.101—to reflect the repeal of ARM 1.3.101 and 1.3.102 in 2024. The comment due date is July 17. The proposal cannot be adopted until after the comment due date.

2026-332.1

This proposal seeks to implement HB 924 (2025) – the "better local bridge fund". This was presented at TIC's May meeting in Bozeman. MDT may adopt this proposal any time this summer.
