- (d) heating, ventilating, or air-conditioning and distribution system modifications or replacements;
- (e) caulking, weather-stripping, or air sealing;
- (f) replacement or modification of lighting fixtures to reduce the energy use of the lighting system;
- (g) energy recovery systems;
- (h) daylighting systems;
- (i) installation or upgrades of electrical wiring or outlets to charge a motor vehicle that is fully or partially powered by electricity;
- (j) fuel source changes that result in cost savings;
- (k) measures to reduce the usage of water or to increase the efficiency of water usage; and
- (l) any other installation or modification of equipment, devices, or materials approved as a utility cost-saving measure by the governing body.

(5) "Energy conservation project" means the installation or modification of an energy conservation measure or the acquisition, installation, or improvement of a renewable energy system.

(6) "Governing body" means the legislative authority of a local government.

(7) "Local government" means a county, city, town, or a consolidated city-county.

(8) "Multifamily housing facility" means a property with at least five units that are primarily intended for residential use, each with a full bathroom and a complete kitchen. The units may be rental units or owner-occupied units. The units may be attached, detached, semidetached, or row houses.

(9) (a) "Person" means an individual, firm, partnership, association, corporation, unincorporated joint venture, or trust that is organized, permitted, or existing under the laws of this state or any other state, including a federal corporation, or a combination of individuals, firms, partnerships, associations, corporations, unincorporated joint ventures, or trusts.

(b) The term does not include a local government.

~~(9)(10)~~ "Real property" means a privately owned commercial or industrial facility, ~~covered~~ multifamily housing ~~accommodation as defined in 49-2-305(6)~~ facility, or agricultural property.

~~(40)(11)~~ "Record owner" means the person or persons possessing the most recent fee title as shown by the records of the county clerk and recorder.

~~(11)~~(12)"Renewable energy" has the meaning provided in 15-24-3102.

~~(12)~~(13)"Renewable energy system" means a fixture, product, device, or interacting group of fixtures, products, or devices on the customer's side of the meter that uses one or more forms of renewable energy to generate electricity or to reduce the use of nonrenewable energy. The term includes a biomass stove but does not include an incinerator or a digester."

**Section 2. Effective date.** [This act] is effective on passage and approval.
