1 department to the named entities for the described purposes and in the grant amounts listed in subsection (4),  
2 subject to the conditions set forth in [sections 2 and 3] and the contingencies described in the renewable  
3 resource grant and loan program's January 2025 report to the 69th legislature titled: "Governor's Executive  
4 Budget Fiscal Years 2026–2027 Volume 6".

5 (3) Funds must be awarded up to the amounts approved in subsection (4) in the order of priority  
6 listed until the available funds are expended. Funds not accepted or used by higher-ranked projects must be  
7 provided for projects farther down the priority list that would not otherwise receive funding. If at any time a grant  
8 recipient determines that a project will not begin before June 30, 2027, the grant recipient shall notify the  
9 department of natural resources and conservation. After all eligible projects are funded, any remaining funds  
10 may be used for any renewable resource project authorized under this section.

17 NEW SECTION. Section 2. Coordination of fund sources for grants to political subdivisions  
18 and local governments. A grant recipient listed under [section 1(4) and (7)] may not receive funds from both  
19 the reclamation and development grants program and the renewable resource grant and loan program for the  
20 same project during the same biennium.

22 NEW SECTION. Section 3. Condition of grants. The disbursement of funds under [section 1] is  
23 subject to the following conditions that must be met by the grant recipient:

- 24 (1) The grant recipient must have a scope of work, schedule, and budget for the project that is  
25 approved by the department of natural resources and conservation. Any changes in scope of work or budget  
26 after legislative approval may not alter project goals and objectives. Changes in activities that would reduce the  
27 public or natural resource benefits as presented in department of natural resources and conservation reports

1 and applicant testimony to the 69th legislature may result in a proportional reduction in the grant amount.

2 (2) The grant recipient must document that other matching funds required for completion of the  
3 project are firmly committed.

4 (3) The grant recipient must have a project management plan that is approved by the department  
5 of natural resources and conservation.

6 (4) The grant recipient shall comply with the auditing and reporting requirements provided for in 2-  
7 7-503 and establish a financial accounting system that the department can reasonably ensure conforms to  
8 generally accepted accounting principles. Tribal governments shall comply with the auditing and reporting  
9 requirements provided for in 2 CFR 200.

10 (5) The grant recipient shall satisfactorily complete the conditions described in the  
11 recommendation section of the project narrative of the program report to the legislature for the biennium ending  
12 June 30, 2027, or, in the case of planning grants issued under [section 1(1)], complete the conditions specified  
13 at the time of written notification of the approved grant authority.

14 (6) The grant recipient shall execute a grant agreement with the department of natural resources  
15 and conservation.

16 (7) Any other specific requirements considered necessary by the department must be met to  
17 accomplish the purpose of the grant as evidenced from the application to the department or from the proposal  
18 as presented to the legislature.

19  
20 NEW SECTION. SECTION 4. — LOCAL GOVERNMENT REQUIREMENTS BEFORE FUNDS ARE RELEASED. (1) TO  
21 BE ELIGIBLE TO RECEIVE FUNDING UNDER [THIS ACT], A LOCAL GOVERNMENT SHALL ESTABLISH AND CONTINUALLY FUND  
22 A CAPITAL RESERVE ACCOUNT MEETING THE REQUIREMENTS OF SUBSECTION (3) FOR NECESSARY INFRASTRUCTURE  
23 IMPROVEMENTS, INCLUDING BUT NOT LIMITED TO IMPROVEMENTS TO WATER SUPPLY SYSTEMS, WASTEWATER SYSTEMS,  
24 IRRIGATION SYSTEMS, AND WATER STORAGE DAMS WITH WATER STORAGE CAPACITY IN EXCESS OF 3,000 ACRE FEET  
25 AND THAT ARE NOT PART OF A PUBLIC WATER SYSTEM.

26 (2) — THE CAPITAL RESERVE ACCOUNT MUST BE ESTABLISHED PRIOR TO THE RECEIPT OF GRANT FUNDS
